

BRAIN TEASERS AND SMARTS SHARPENERS

You will find other fun books in the ScholarShop Jr. Resource Library that will help to sharpen your math, reading, and thinking skills. Remember, you will need these skills to do well in high school, college, and on your job.

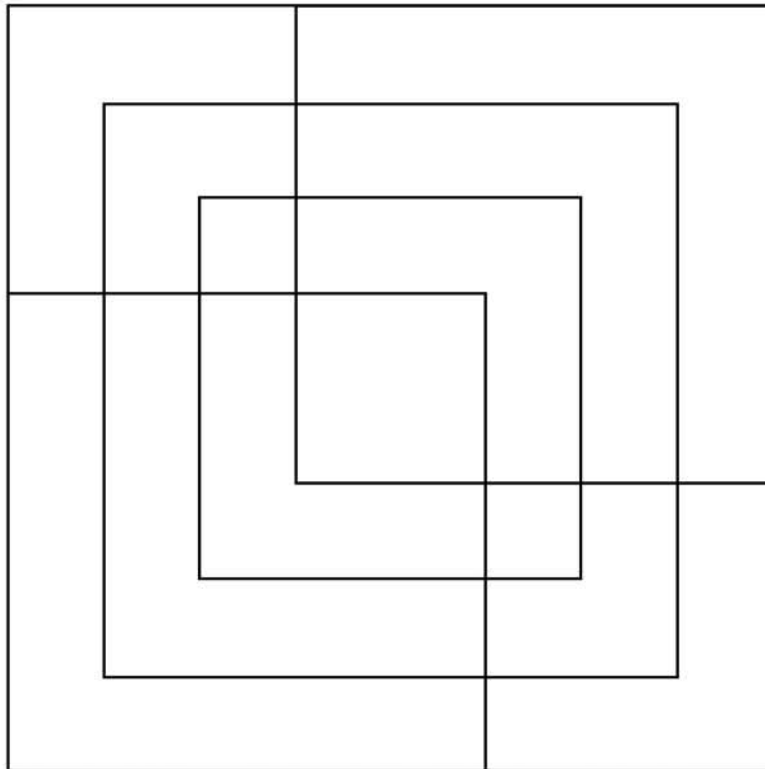

Locate the books *Brain Benders* and *Puzzle Castle*.

Refer to these books anytime you want to practice with Word Smart, Number Smart, and Art Smart skills! You'll become a pro! Work by yourself or with a study buddy.

How many squares?

There are 16 squares to be found in this complicated pattern. Look closely, can you find all of them?
