How To Review and Download Your Application

Prior to submission:

1. Login to your account
2. Go to the applications tab
3. Click 'Continue' on your draft application
4. Click the down arrow next to the program name
    1. There will be two options, 'Review' and 'Download Application"
    2. Click 'Download Application'
5. Generating the PDF for download may take a moment. Upon the download being ready, you will receive an email with a link to the Download Page once it is ready OR you can access the Downloads Page by selecting your name at the top right of the screen and selecting 'Downloads' from the dropdown menu.
6. Click 'Download' from the action column to save your application to your device.
